

I am writing in regard to allowing LPFM stations to take priority over FM stations. I believe that if this is allowed it would NOT be in the best interest to the public. This would effect my music station K-LOVE, which is the only station I play in my car. K-LOVE is the only radio station that I can listen to without having to worry about the music or language that is being aired. K-LOVE supports wholesome values and has a positive and encouraging impact in my community, as well as, all over the country. I feel strongly that K-LOVE needs to be on the air, that I am a financial supporter of K-LOVE and it is in the best interest of the public to continue to allow FM stations like K-LOVE to take priority. Thank you!
